

Help us Reclaim Talk Radio to Engage the Culture

Dear Future KENNEDY Profession CRUSADER,

Let's face it — you are afraid to turn on your car radio, especially around your kids. Even conservative talk-radio stations often have lewd advertisements, or they repeat the same talking points day-in day-out.

Plenty of good Catholic radio stations offer sound apologetics, and this is good! But, as much as we love to hear about the Faith, we also want to engage in the social and political issues of the day. As a result, many of us resort to listening to podcasts, which are great; but podcasts aren't LIVE! talk radio, and, with most podcasts, the threat of “de-platforming” from woke Big Tech looms large.

Remember the Glory Days?

We all grew up listening to the radio during the glory days — maybe it was “El Rushbo”, “The G-Man”, or someone else. There is just something about that *live* and energetic radio atmosphere that comes through the speakers. Imagine if we could harness that talk radio experience that everyone loves, and use it for the good of the Church.

Well, we can! For years, in our own way, we have been doing just that at the Crusade Channel. We have harnessed the new frontier of Internet Radio in order to engage the culture.

Numerous people have even said the [Crusade Channel](#) was a big reason they converted.

CRUSADE CHANNEL TESTIMONIAL

*“Through the insights of Mike, Barrett, David and everyone with the Crusade Channel, I have been on a journey toward converting to Catholicism. It has been a several year journey, and it I have been hesitant to take the plunge until recently, the change being difficult because I was raised Baptist and became Methodist as an adult by marriage, **and am fully entrenched with the Methodist church here.** So my family and my in-laws, all being Protestant, do not understand why I want to do this and are not totally supportive. The Covid shutdowns and then the restrictions were the final push I needed because when the Methodist Church closed and then opened back up on a limited basis, people, including my wife, not were not attending, so I started viewing the Catholic mass online. **And when things opened back up I started attending Catholic Mass instead of the Methodist church.***

*Long story short, I have been attending RCIA classes the last 3 months, and I **will officially be initiated into the Catholic Church** this coming Pentecost Sunday, with First Communion.” - Miles Hendrix, CRUSADE Channel Founders Pass Member since November, 2015.*

Our newest venture involves author, Crisis columnist & Youtube presenter [Kennedy Hall](#). Perhaps you have read his articles on Crisis, perhaps you are one of the 100's of thousands who have watched his videos; maybe you have read one of his books. Wherever you have seen him, you will find his new show, [The Kennedy Profession](#), Monday-Friday from 3-6 EST on the [Crusade Channel](#).

The Kennedy Profession is a unique talk radio show. With a background as a teacher and author, Kennedy brings a unique perspective to social and political commentary. Having worked in the bureaucratic beast — teachers union — he *knows* how liberals think. Every afternoon he will bring a mix of news, literature, philosophy; and as **Crisis Editor Eric Sammons** has said, *"Kennedy Hall brings orthodoxy, intelligence, and wit to everything he does. I'm sure his radio program will be more of the same."*

You're welcome, America, your afternoon commute has been saved! ... even if we brought in a Canadian to do the job — let's not hold that against him... eh?

CRUSADE CHANNEL TESTIMONIAL

"I want to express again my tremendous gratitude for your exemplary coverage in recent months. I was almost a lost soul in November and December, thinking, 'I just can't live in a country where this fraud is condoned! What is going to become of us under a Biden regime?' There were many, many days when I woke up almost despondent, but then I thanked God that at least I could tune into The Mike Church Show at 7 a.m and hear commentary from a Catholic perspective and connect with like-minded people in the Chat Room. I honestly don't know how I would have gotten through late 2020 without the Crusade Channel." - Diana M., CRUSADE Channel Founders Pass, Founding Brother Level Member Since 2019.

Thanks for reading our story and considering our appeal.
