

*Mike Church issues an appeal for action to all men & women of Good Will  
"you have a chance to make history next week, I urge you to seize it."*

## **FOR IMMEDIATE RELEASE**

03 May, *anno Domini* 2022

All,

When I started this Committee Of Correspondence list last year it was followed by the brain child (or spasm depending on whose side you're on!) of **The Upon These Rocks Congress** which we successfully conducted last May 1st and 2nd. No sane individual would dare argue that our situation has gotten anything but dramatically worse since then with the demons in charge agitating for nuclear war and famine. Yet, as I look at the list of attendees to discuss some solutions at this year's Congress, The Fellowship of The Clans, I sadly note at least FIFTEEN family dropouts from last year. Some folks have contacted me and expressed their reasons for not attending this year and we wish them all well and offer our prayers for their unique family situations that prevent their attendance, but what of the rest?

**It is futile to try and form a solution based on building communities and linking them together, if people can't be roused to make the physical, in-person efforts needed to lay the foundations.** Thus, I appeal to you who have remained on the sidelines this year to reconsider, if it's at all possible, and register your kingdom today!

An enormous amount of effort has been put into this event by a lot of dedicated souls. It would be a tragedy of epic proportions if their efforts were rewarded with the apathy of their peers. I have tried to represent them in planning this event and make this appeal on their behalf and for the Common Good of the CRUSADE Channel family and our extended family under the Social Kingship of Christ.

**[CLICK HERE TO REGISTER FOR THE FELLOWSHIP OF THE CLANS](#)**

In trying to serve The CRUSADE I sometimes lose my voice, but I never considered losing the war for New Christendom. I pray you remain strong in that fight and forgive the mistakes in leadership I have inevitably made.

God bless and The Holy Family keep you,
