THE CRUSADE CHANNEL TAKES LISTENERS BACK IN TIME TO RELIVE THE NIGHTMARE YEAR THAT WAS 2020 IN THE CRUSADE COVID CHRONICLES

31 January, 2023 - The CRUSADE Channel-**Talk Radio The Way It Should Be**, has announced its newest Original Radio Program “The Covid Chronicles”. **What was it like living in the world of lockdowns, forced mask mandates, and a stolen rigged election?** Relive that year beginning February 13 with the daily re-broadcast of every show from 2020 of **The Mike Church Show** in sync with today’s date in 2023.

“Most ‘Muricans have forgotten the horrifying chain of events **planned by The Cult of Death elites** then carried out by nearly every state government, all our public Institutions and then enforced Nazi-like by Big Biz and Big Tech” said CRUSADE Channel Founder and Host **Mike Church**. “Folks have also grown confused over who were their true allies then, those who smelled this conspiracy-come-true from Day 1 as we did on my show and on the rest of The CRUSADE Channel. What is most exciting though is **giving listeners a front row seat to what happened, as it happened**” Church continued “because there’s a growing movement that is wisely repeating a post-Holocaust sentiment i.e. ‘Never Again!’.”

“The Covid Chronicles” will air as it aired on the same day in 2020 and will bring to life the creation of the Covid Task Force, the installation of Fauci & “Scarf Vader” (Deborah Birx) as lockdown czars, the lockdowns, the forced mask mandates, the “follow the [fake] science” tyranny of masks, “distancing” and glass walls; the rigged/stolen Election of 2020 and the coup then installation of The Biden Regime.

The Covid Chronicle’s new episodes will re-debut on The CRUSADE Channel Monday-Friday at 1:00 PM Eastern and will continue streaming on crusadechannel.com for our Founders Pass Subscribers.
